DISCIPLINE
JOURNAL

A 7-DAY FIELD SYSTEM FOR FOCUS, HABITS AND EXECUTION

MISSION WEEK

START DATE

Comfort fades. Discipline stays.

HOW TO USE THIS JOURNAL

Print it, fill it daily, and review it every night.

This journal is designed for one focused week. Keep it simple. Pick a mission, choose three key habits, execute daily, and review honestly.

1. DEFINE THE MISSION

Write one clear outcome for the week. Example: train 5 days, study 2 hours daily, or finish a project module.

2. CHOOSE THREE NON-NEGOTIABLES

These are the habits you will not skip. Keep them realistic and repeatable.

3. FILL THE DAILY PAGE

Every morning: set priorities. Every night: score discipline and write one lesson.

4. REVIEW THE WEEK

At the end, write what worked, what failed, and the next mission.

THE RULE

Do not chase perfect days. Chase honest execution. A weak day reported truthfully is still progress. A skipped review is lost data.

MISSION BOARD

Define the week before the week defines you.
